

## **Internal Auditor**

***Vardan Hovhannisyan, master of economics***

*Vardan Hovhannisyan has become Organization's internal auditor since November 2008, aiming to give a new quality to internal auditor's functions and making its role important in the Organization and overall internal audit system.*

Before joining Worldvision Micro financial Organization and SEF International UCO Vardan Hovhannisyan worked at different times at Ardshinvestbank CJSC as the bank's internal audit member, internal audit department employee. During his career V. Hovhannisyan has many times been the head of the audit team uncovering substantial and various, risk containing deals. In 1999-2003 V. Hovhannisyan has worked at "Infoservice" LLC as an economist.

In 2002-2008 V. Hovhannisyan has been engaged in entrepreneurship as a private entrepreneur and collaborated with "Haypost" CSJC.

V. Hovhannisyan has taken part in a number of professional trainings, particularly the one organized by FBC, Central Bank of Armenia, as well as the trainings on "Fraud Revelations" organized by VisionFund in Istanbul.
